BHSD Voices - Summer Food Program

(June 27, 2018)

Hello, this is Sean Gallagher — Superintendent of Brookings-Harbor School District here to talk about the Summer Foods Program and K-Schools provision 2 designation.

The summer foods program provides free breakfast and lunch to all youth ages 1-18 in our community. This year's program began as the regular school year ended with the continued goal to help meet hunger needs in our community

Each Monday through Thursday, at Brookings Harbor High School Cafeteria, the Summer Foods Lunch Program includes a salad bar, and a main entree ranging from pulled pork sandwiches to flat bread pizzas and chicken strips. Fresh produce from the Brookings-Harbor High School gardens is featured when available.

I encourage you to come by and experience the Summer Food Program for yourself if you are a parent with children. All children ages 1-18 eat for free: Many childcare centers and summer camps also participate in the program, as does our school district's credit recovery and extended school year students.

This program will run through July 26, Monday through Thursday. Breakfast served 7:45 a.m. until 9 a.m., and lunch is served 11:45 a.m. until 1 p.m. Parents who would like to dine with their children can buy a meal for the small fee of \$2.50 for breakfast or \$3 for lunch.
