God Whispers

This is Sam Vitale for Voices.

The simple things that we take for granted. A man whispered "God speak to me" and a meadowlark sang, but the man did not hear. So the man yelled "God speak to me!" And the thunder rolled across the sky. But the man did not listen. The man looked around and said, "God let me see you". And the sun shined brightly. But the man did not see, and the man shouted "God show me a miracle", and a life was born. But the man did not notice, so the man cried out in despair "touch me God and let me know you are here". God reached down and touched the man with a butterfly. But the man brushed the butterfly away and walked on. I found this to be a great reminder that God is always around us in the little and simple things that we take for granted. The man cried, "God I need your help!" and an email arrived reaching out with good news and encouragement. But the man deleted it and continued crying. Don't miss out on a blessing because it isn't packaged the way that you expect. I'm telling all of you this because I want God to Bless you all. I've had three strokes and it was one of the hardest things I had to face, but my faith in God and my friends and family have helped me get through these difficult times. I thank you all from the bottom of my heart!

Have a Blessed Day. As always, you're listening to the world's greatest station Kury radio 910 am and 95.3 fm.
