ATTITUDE WITH HUMOR

This is Sam Vitale for Voices.

Don't confuse my personality with my attitude. My personality is who I am.

My attitude depends on who you are!

You know that little thing inside your head that keeps you from saying things you shouldn't? Yeah, I don't have one of those.

My people skills are just fine. It's my tolerance to idiots that needs work.

I never argue, I just explain why I'm right. I speak my mind because it hurts to bite my tongue all the time.

I'm only responsible for what I say, not for what you understand.

Have you ever listened to someone for awhile and wondered who ties their shoelaces.

I am not lazy. I just really enjoy doing nothing.

Calm down, take a deep breath and hold it for about 20 minutes.

If people could read my mind I'd get punched in the face a lot.

I prefer not to think before speaking, I like being just as surprised as everyone else by what comes out of my mouth.

I hate it when the voices in my head go silent. I never know what they are planning.

So, when is this "old enough to know better" supposed to kick in?

Every day thousands of innocent plants are killed by vegetarians. Help end the violence--eat bacon.

As always you're listening to the world's greatest radio station, 910am and 95.3fm. Have a blessed day!
