

This is Sam Vitale for Voices

This is how I feel about the NFL! I've already stopped watching any NFL games and won't watch any of them until all this dishonor and disrespect by these ingrates stops or is halted. And don't tell me that taking a knee during the National Anthem isn't about the flag or the National Anthem. If it's about the flag or National Anthem, make your protest at another time. You do what your conscience leads you to do, but as for me, I stand and always will, for our flag and our National Anthem! Honor our military, some of whom come home with the American flag draped over their coffin. Continue with the weekly boycott of televised games. They have a right to if they want to, but during the National Anthem is not the place or venue. They show an utter lack of patriotism and total disrespect for our veterans, living and dead, and everything for which they put their lives on the line!!! When I hear things going on in our country I say a prayer. God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference!! God Bless America - the Home of the Brave and the Land of the Free.

As always, you're listening to the world's greatest radio station, Kury radio 910am and 95.3 fm.

Have a blessed day!
