Finally, Joe Thomas has come back to KURY Radio of Brookings, Oregon! KURY Radio AM 910 is also the home of the Portland Trailblazers!

What else can I say? The democratic party jumped over that communist cow and that socialist sow and went straight to anarchist status a long time ago. The losers who run the democratic party these days are totalitarian by nature and they are anarchist by choice. The Democrats and Never Trumpers even bring back the creepy porn lawyer to make some asinine allegations that Brett Kavanaugh participated in multiple gang raping's over 35 years ago in High School.

I can remember way back when Larry Flynt of Hustler Magazine said he had videotapes of Ronald Reagan, Walter Mondale, Gary Hart and Jesse Jackson having sex with hookers. This was back in 1984 and everybody just laughed at Larry Flynt or everybody just ignored him. Most people ignore Larry Flynt these days and I believe that the Democratic party has plugged in the creepy porn lawyer to replace him.

When certain people in high places are so desperate to regain power, concepts like class and standards go right out the window.

Some people say the creepy porn lawyer should be the new mascot for the Democrats, I disagree. The jackass mascot should be replaced by a bird pooping in its' own nest.

And remember kids, Meryl Streep is still a creep and CNN stands for Creepy News Network.
