Title: No Mail Today

Finally, the one the only Joe Thomas has come back to KURY radio of Brookings Oregon!
Remember Kids KURY AM 910 is the home of the Portland Trailblazers...and CNN still stands for creepy news network.

Rush Limbaugh complained on his radio show recently about the morons in the mainstream media being a bunch of two face hypocrites. He complained about all those idiots having nice things to say about George Bush SR. at his funeral when they never had anything nice to say about him when he was President.

Well not me, I thought he was a terrible President back then and I never did like his whole stupid family. I thought it was completely asinine to shut down mail service on December 5th because he died. It kind of makies you snicker when some people spazz out about the very possibility of having a government shutdown.

Exsqueeze me if I don't join in when it comes to the worship hour for the Bush league crime family. Prescott Bush was a supporter of Adolph Hitler before World War 2 broke out and I do not have nearly enough time here to list all the crimes and misdeeds of the Bush family.

Apparently George Bush Sr. had a little bit more class than his rotten, good for nothing sons, Jeb and George Junior.

The old man did insist on having Trump show up for his funeral, so I give him credit for that.
